Hi Kate:

I was just checking up on this, you said there was another lab number for this defendant that had not been analyzed yet (see below). Can you let me know the status on that sample when you have a chance?

THANKS!

There is another lab # associated with this defendant that was submitted to the lab in Feb 2010...it has not been analyzed yet. I just requested this sample be assigned to me, I will send you a copy of the docs when it is completed.

Hey Kate – Salem PD only has the above two certs. Unless it's the next one sequentially, [REDACTED]
[REDACTED] It should be 6 twists of cocaine. Let me know if that helps at all.

Thanks again,

Hey Kate:

I am trying to find out the lab no. It is not the 2009 one; he picked up another drug case after this one. I will get back to you as soon as someone gets back to me.

THANKS!

Hi Christina,

Do you know the lab# for the cert that you are missing? We looked in our system and [REDACTED] has the same defendants name and it was analyzed in June 2009 by Annie Dookhan and Della Saunders. It was not in the same envelope as the other 2 that I analyzed. If this is the missing cert that you are talking about then I can send a disco packet for that one along with the info for [REDACTED]

[REDACTED]
Let me know.
Thanks,
Kate

Hello:

I am the prosecutor now assigned to this case and I was hoping to get discovery packets for the above certifications/defendant. Also, I think I am missing one cocaine certification because I should have 3 certs so if you could let me know whether there is another cocaine cert and also get me a discovery packet on that other cert, that would be great.

Della, I have your CV but Kate if you could also forward me your CV too...

Packets can be faxed or mailed – see below. The next date on the case is 5/12 so if you could get it to me sometime before that, I would be very appreciative.

THANK YOU!

Christina
